

Fund Information
Investment Objective

The Fund aims to maximise the total level of return for investors through investment, primarily, in a diversified portfolio of debt securities and other fixed income or interest bearing securities. In pursuing this objective, the Investment Manager shall invest primarily in a diversified portfolio of intermediate term, corporate & government bonds with maturities of 10 years and less, rated at the time of investment "BBB+" to "CCC+" by S&P, or in bonds determined to be of comparable quality. The Fund can also invest up to 10% of its assets in Non-Rated bond issues.
