

KEY FEATURES DOCUMENT

Guaranteed over 50s plan

This Key features Document contains a summary of the main features of your plan.

Please read it carefully so that you understand what you are buying and the risks involved.

Plan Description

- A regular premium Plan that provides for the payment of a guaranteed Death Benefit in the event of death of the Person Covered by the Plan.
- It pays a lump sum on death, whenever this may occur.
- The Plan provides protection only and does not have a cash value.
- You choose the amount of the guaranteed Death Benefit.
- It has been designed to help you protect your family from the financial costs arising on death, such as funeral expenses, taxes and other duties, but can also be used to help maintain your family's lifestyle or simply to leave as a legacy.
- By naming a beneficiary the proceeds of the policy fall outside of your testamentary estate and can be paid directly to whoever you want, avoiding the need to confirm this intention in a Will.

Its Aims

- To pay a Death Benefit to you, your estate or a designated beneficiary upon the death of the Person Covered.
- To accept any person over 50 years old without any medicals or health questions

Your Commitment

- You agree to pay a fixed regular premium until your 90th birthday.

Risk Factors

- The plan has no cash-in value at any time. Once your right to cancel has ended, if you decide to stop your plan at any time, there will be no refund of premiums.
- If you die during the first two years we will refund your premiums instead of paying out the guaranteed life insurance.
- Depending on how long the plan runs your total premiums may be more than the life insurance payable on death.
- If you stop paying premiums before your 90th birthday, your life insurance will stop.
- Your circumstances may change, affecting your ability to continue paying the premiums.

Age limits of Person Covered

The Person Covered must be between the ages of 50 and 80 when the Plan starts.

Beneficiary

You can appoint one or more beneficiaries to receive the benefit under the Plan, when this is due. There is no charge for this arrangement to be implemented and it requires only the completion of a simple form. The appointment of a beneficiary (and acceptance thereof) under a life insurance contract does not need to be confirmed in a will and it also supersedes the provisions of a will if there is any conflict between the two.

Plan Benefits**Death Benefit**

Payment of the guaranteed lump sum that you choose at the start of the Plan in the event of death of the Person Covered during the term of the Plan.

Funeral Expenses Benefit

Payment of the cost of funeral expenses [subject to a maximum of €2,500] in the form of a partial pre-payment of the Death Benefit.

Questions and Answers**Who should consider this Plan?**

This Plan could be for you if you want to leave a lump sum if you were to die while the policy is in force. Its most common use is for protection of the family or dependents from financial burdens caused by the death of the Life Assured, such as:

- Paying inheritance taxes;
- Replacing lost income;
- Paying associated bills and expenses;
- Keeping plans for the future in place.

It may also be used if you would like to leave a sum of money as a legacy.

When will my Plan start?

Your Plan will start immediately once we have received all necessary documentation and payment of the first contribution.

How does the plan work?

- You choose the level of premium you want to pay and we guarantee a fixed amount of life insurance based on your age when the policy starts;
- The minimum premium payable is €5 a month and the maximum is €100 a month. You can choose any premium within this range so long as it is rounded to the nearest Euro;
- Premiums can be paid monthly, quarterly, half yearly or yearly and will remain level throughout the plan. There are no additional charges regardless of which frequency you choose;
- When you reach your 90th birthday you stop paying your premiums but the life insurance will continue for the rest of your life;
- The plan will end on your death, when the death benefit will be paid out as a cash lump sum;
- You can help make sure that the cash sum reaches the people that you would like by nominating them as beneficiaries.

How much life insurance will I have and how much will it cost?

The guaranteed amount of life insurance depends on your age and the selected premium.

The following table shows examples for different ages and premiums:

Age	Monthly Premium					
	€5	€10	€25	€50	€75	€100
50	€866	€2,599	€7,797	€16,461	€25,125	€33,789

65	€392	€1,176	€3,527	€7,445	€11,364	€15,282

75	€195	€584	€1,752	€3,698	€5,644	€7,591
80	€137	€412	€1,235	€2,608	€3,981	€5,353

The amount of Life Cover is fixed and does not change. A personal illustration will be provided to you before you apply for your Plan.

When will the Plan pay out?

- The Plan will pay out when the Person Covered dies.
- The Plan will only pay out the Death Benefit once. So you can only make one valid claim for the Death Benefit.
- The Plan will end after the Death Benefit has been paid.

When will the Plan not pay out?

We will not pay the Benefits under the Plan if:

- You and/or the Person(s) Covered do not truthfully provide (or disclose fully) all the information we ask for when you apply for the Plan;
- The Plan has terminated due to non-payment of premium;
- The Person(s) Covered commits suicide in the first 24 months of the Plan.

The full extent of the cover provided by the Plan (including any specific exclusion that we may include) will be explained in your policy document.

Are there any additional charges?

The premium shown in your illustration includes all the costs of administration, underwriting and claim expenses.

Will my premiums ever go up?

Your premium is guaranteed. This means that your premium will not change throughout the duration of the Plan provided that you pay the premium when it is due. If your Plan needs to be reinstated (because the premium was not paid when due), then your premium may increase.

What if I stop paying?

If you stop paying premiums, your life insurance will continue for 30 days after your last payment was due, then your Plan and the cover it provides will stop. Your Plan and cover will end and you will not get any of your payments back.

Can the policy be pledged to cover a loan or overdraft facility?

Subject to the lenders agreement you may pledge the policy to cover any debts you have arranged.

What is my tax position under the Plan?

Under current legislation, payment of the Death Benefit under the Plan is not taxable. Please note however that tax legislation may change in future, and we suggest that you contact your professional tax advisor for specific advice on your personal tax status.

Can I change my mind?

You can change your mind within 30 days from when you get your Policy Document. If you decide, for any reason, within this period that you don't want to proceed with the Plan, we will give you your money back. If you wish to exercise your right to cancel, you should complete and return the Statutory Notice that we send you.
