About Malta International Airport

Being Malta's only air terminal, the airport hosted more than 7 million passengers in 2019, of which the majority were inbound tourists. The company has consistently invested in the terminal since the airport's privatisation in 2002, with the Terminal Reconfiguration Project bringing about the most recent overhaul.

Malta International Airport recently opened its new multi-storey car park – Park East – which has brought the number of parking spaces available on the airport campus up to around 2,700 spaces. Additionally, 14,000m² of office and retail space are housed within SkyParks Business Centre, with projects in the offing set to bring about further expansion in this regard.

The airport team is guided by a vision of service excellence, which led MIA to clinch the title Best Airport in Europe in 2018 and 2019. In November 2020, Malta International Airport won two prestigious titles awarded by ACI: Best Airport and HR Excellence, both in the context of Covid-19.

To maximise its contribution to Malta's cultural heritage and environment, MIA set up the Malta Airport Foundation in 2014; an independently run non-profit organisation.

Malta International Airport plc is a public company listed on the Malta Stock Exchange, with its shareholders being the Malta Mediterranean Link Consortium (40%), with Flughafen Wien AG owning a 96% share, the Government of Malta (20%), the general public (29.9%), and VIE Malta Limited (10.1%).
