DIRECTORS' REPORT PURSUANT TO LISTING RULE 5.75.2

Directors' Report

The directors present their report, together with the unaudited interim financial statements of the Company for the period 1 January to 30 June 2021.

The published figures have been extracted from the unaudited management financial statements for the six months ended 30 June 2021 and its comparative period in 2020. The comparative Statement of Financial Position as at 31 December 2020 has been extracted from the audited financial statements for the year ended on that date. This report is being published in terms of Listing Rule 5.75 issued by the Malta Financial Services Authority, and has been prepared in accordance with the applicable Listing Rules and the International Accounting Standard 34, 'Interim Financial Reporting'. The financial statements published in this Half-Yearly Report are condensed in accordance with the form and content requirements of this standard. In terms of Listing Rule 5.75.5, the Directors are stating that this Half-Yearly Financial Report has not been audited or reviewed by the Company's independent auditors.

Principal Activity

The principal activity of Eden Finance p.l.c is to raise financial resources from the capital market to finance the capital projects of the companies forming part of the Eden Leisure Group.

Review of Business Development

The condensed interim statement of profit or loss is set out on page 4. During the period under review, interest income earned on advances to the parent company, Eden Leisure Group Limited totalled Euro 833,096, while interest payable to the bondholders amounted to Euro 793,425.

The Company registered a profit before taxation amounting to Euro 1,705. After deducting a provision for taxation thereon, the profit for the period amounted to Euro 1,108. The directors do not anticipate significant changes in the performance during the last six months of the current year.

During the first six months, the Group, continued to operate within the boundaries being laid out by the Health Authorities in their efforts to control the spread of Covid-19.

The Group continues to benefit from various Covid-19 programmes which help mitigate the adverse financial impact of this pandemic.

The Group continued to adjust to the changing situations which saw further closures of entertainment outlets between March and June 2021. Nevertheless the Group managed to improve its results for the first six months of the year under review and the outlook for the second part of the year remains prudently optimistic.
